DUST-FREE DRILL BIT **SPEEDUSTER 646**

TARGET : DUST-FREE

SPEEDUSTER dust-free drill bit with the massive head system allows immediate dust extraction. SPEEDUSTER drills faster and without any blocking, its lifetime is significantly longer.

CLEANER WORKSITE

SPEEDUSTER drills and extracts dust in the same time. Worksites are clean, no more waste of time ! Interior equipment are safe from dust and last longer.

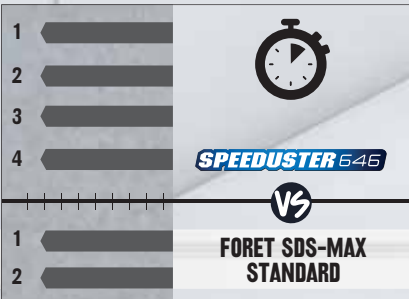

PROTECTION

Workers are protected from the risks bound to the dust. Their health is preserved. Their work is less painful. According to countries, rule establishes the value of exposure to quartz silica (breathable dust) at 0,1 mg / m3 for 8 working hours.

ULTRA SPEED DRILLING

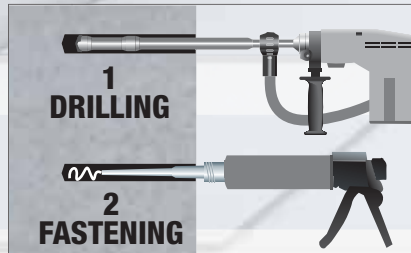

DRILLS TWICE QUICKER

SPEEDUSTER drills 4 holes vs 2 for a standard SDS-Max drill bit.

RENTABILITY

FASTENING IN 2 STEPS ONLY

Holes drilling and cleaning are made in a single stage. Chemical fastening resistance is multiplied tenfold thanks to the perfectly clean holes. There are a real time-saving and a bigger profitability of worksites.

DRILLING COMPARISON

SDS-MAX STANDARD DRILL BIT

SPEEDUSTER 646

1KG OF DUST

DUST-FREE

Drilling diameter 32, length 1 meter in C50/60 concrete

Tests done in our internal laboratories.
